“ Me and Kyle met in Prague 10 years ago and ever since then we have been in touch frequently, we spoke just over a month ago he promised to call back but he never did. I remember calling him the day my son was born and him giving me all sorts of advice! We could spend hours and hours on the phone talking and we had the most amazing few months in Prague! I will forever cherish these memories with you Kyle, I'm truly heartbroken I could not say goodbye. I hope you feel better up there and I will always miss you
