“ Grandma, you were such caring, encouraging and wonderful grandmother to your grandchildren but also an awesome mother to your children. I'm so happy I had the opportunity to meet you on multiple occasions, and spend time with you during my summer visits to Florida. I always reminiscence on the joyful times we had to together with you and with the rest of the family. I'm so sad to see you go, but I know you are with Grandpa and the Lord now, looking down at us.

Love you Grandma!

“ This is the day that the lord has made, let us rejoice rejoice in him. My mother was truly the best mom anyone could, encountered. She entered Eternal life from dust she came from dust she shall return. Heavenly Father welcome her home, into the Arms of the Angels in Heaven with open arms. Bye mother until we meet again, on resurrection morning with Thanksgiving in our hearts. Son Phillip Anthony Cuffe Sr.

Mother Dearest,
Living life without you is so hard to do.
We cannot bring the old days back when we were together, but loving thoughts and memories will stay with us forever.
Your first born, Marjorie

“ My dear precious Ma, you have been very instrumental in instilling lasting values in our lives. Your advise ranged from “one hand can’t clap” to “keep good friends” to “ silver & gold will vanish away but a good education will never decay “. Trust me , you covered all aspects of life. We all know your stories of you going a good school & your dad’s influence of your life. Additionally your shorthand & booking skills were excellent , as you always say 😊!
You were the strongest woman I know & I’m blessed to have a determined, outspoken mother like you. God bless you Ma, until we meet again 🙏.
