“ *Everyone leaves a lasting impression of some sort.*

Leon's impression on me was one of a fighter. A fighter is not always a victor; a fighter is one who is dealt blows and continues nonetheless.

My message to friends and family of Leon Turnbull is to take from his life what he has given to mine: an example of strength and endurance in the face of adversity.

I pray that everyone reading this will become and/or remain at peace with the Lord Jesus Christ. He gives the strength and endurance we all need.

GOD bless you all.

“ Leon was indeed all and then some of what I understand was shared at his passing. It is a tremendous loss to me as a friend and is felt throughout the Milstein Properties corporate office. Among many things, I will truly miss his wit and infectious smile. I look up in Heaven and know that he is well and just knowing him was indeed a blessing.

*Peace and love,
Yvette*
