“ *Deepest condolences to Leonie's family.*

*I met Leonie at the bank in Jamaica where we worked many years ago. She was the spark that set the mood for the workday. Always laughing, singing, giving jokes and speaking the dialect. She reminded me of Louise Bennet. I did not speak the dialect so Leonie would tease me by saying "You prim and proper" or you "speaky-spoky" in a good way. I remember so well. I always remember Leonie whenever I hear the songs, "Youv'e Got A Friend" and "Lean on Me." Now, it will be sadder whenever I hear them.*

*Even though Leonie and I lived States apart, we kept in touch. I was so heartbroken when Leonie told me of her diagnosis. I kept her in thoughts and prayers and checked on her periodically. But suddenly, I was not hearing from Leonie. I sensed something was wrong and was about to call her when I received a text message of her passing. Thank you to the person who shared that information with me. I am forever grateful or else I would not have known. Leonie was in the hospital the same week I kept thinking of her.*

*Leonie was a kind, happy lady and will never be forgotten. Her memories will live on. Rest in peace my beautiful friend.*
