“ To my dear loving grandma, my granny pooh. I'm truly going to miss you and your stories especially your laugh. Every time we got together it was never a dull moment. From our adventures walking to Walmart to catching the free bus and going around town. I'm going to cherish forever all our memories we had. 🧶📖  
I love you grandma, I'm still in disbelief you are not here. Until we meet again, you are forever in my heart 📖💔🕊️

“ My grandmother always loved watching tv & she'll watch anything no matter what it's is... I'll miss cuddling up & watching movies. No matter even if I thought she was asleep she'd tell me she's resting her eyes. I look forward to when I can see you again & watch whatever you like. They'll be a lot to catch up on💕
