“ I literally just found out today...wish I knew earlier...I would have been at the funeral. My thoughts and prayers are with Louie's loved ones during this very difficult time.

I met Louis in 1980 at Rocky Horror Picture Show (like most of us "old crew" did). He was always laughing, smiling, & cheering us all up at one time or another, even when he was having his own problems in life. He helped me out a lot when my husband, Ray, was killed in a car accident back in 1984 (we had only been married one month). His whole life was a stage & he will always be our "Frank". Rest in peace, Louie...you have forever touch our hearts & will be forever missed.

“ I am so sorry to hear of his passing he was an awesome guy and a great friend. He was one of the first ones that helped me through the passing of my hubby, I will forever cherish those talks and his pep talks he gave me as well as the laughter we shared. We lost contact for a few years but reconnected after I moved out on my own. Rest in peace my friend I love you and you and my hubby share a drink up there. My thoughts and prayers goes out to his many friends and family. I will miss you Evil Elvis
