“ *Luther Jones was a strong, loving, and caring individual. He was a hard worker and a motivator. In the short time I came to know him we established a good relationship. He was willing to give of his best at all times. When the journals of history of the Bethel Town Baptist Church and by extension the community at large is recorded one of the names that would stand out is that of Luther Jones. On behalf of the Church family I extend condolences to the entire family. May your comfort be perfected by God and may his graceful hands hold you all and give you strength. May the guiding light of God to our brother Luther take him to the eternal presence with God, that he may rest from his labors well done.*
