“ *ate luz, we treasure the times we had together; we're glad we were able to be there for you at the time you needed us most; you're the best mom for your 3 children, lots of love and sacrifices; we love you and we will miss you but now you will be together with your loved ones who went before you; but most of all you will be in the hands of our Lord, all those pains and sufferings are history; love and prayers....., tito angel , tita nora nad family*
