“ *In life the bible says there is a time for everything and a season for every activity under the heavens:*

A time to be born and a time to die, a time to plant and a time to uproot, a time to kill and a time to heal, a time to tear down and a time to build, a time to weep and a time laugh, a time to mourn and a time to dance, a time to scatter stones and a time to gather them, a time to search and a time to give up, a time to keep and a time to throw away, a time to tear and a time to mend, a time to be silent and a time to speak, a time to love and a time to hate, a time for war and a time for peace.

To the family of Mrs. Mabel Levy we give our condolence to you and may the peace of God rule in your hearts and may you all be comforted to know that He is with you no matter what.

Peace be with you all.

“ I love you Mama, now and forever. This song is just for you.

A Song For Mama

*You taught me everything
Everything you've given me
I'll always keep it inside
You're the driving force in my life, yeah*

*There isn't anything
Or anyone that I could be
And it just wouldn't feel right
If I didn't have you by my side*

*You were there for me to love and care for me
When skies were gray
Whenever I was down
You were always there to comfort me*

*And no one else can be
What you have been to me you will always be
You will always be the girl
In my life for all times*

*Mama, Mama you know I love you
(You know I love you)
Mama, Mama you're the queen of my heart
Your love is like tears from the stars, yes it is
Mama I just want you to know lovin' you is like food to my soul
Yes it is, yes it is, oh, yes it is, yes it is, yes it is oh*

*You're always there for me
Have always been around for me even when I was bad
You showed me right from my wrong*

Yes you did

*And you took up for me
When everyone was downin' me
You always did understand
You gave me strength to go on*

*There were so many times
Looking back when I was so afraid
And then you'd come to me and say to me
I can face anything*

*And no one else can do
What you have done for me
You'll always be, you will always be
The girl in my life, ooh oh*

*Mama, Mama you know I love you
(You know I love you, you know I love you)
Mama, Mama you're the queen of my heart, (You are)
Your love is like tears from the stars
(Your love is like tears from the stars)
Mama I just want you to know (Mama I just want you to know)
Lovin' you is like food to my soul*

*Never gonna go a day without you
Fills me up just thinkin' about you
I'll never go a day without my mama*

*Mama, Mama you know I love you
Mama, Mama you're the queen of my heart
Your love is like tears from the stars
(Your love is like tears from the stars)
Mama I just want you to know lovin' you is like food to my soul*

*Lovin' you is like food to my soul, oh yeah
You are the food to my soul, yes you are*

“ *" Diana Kay and the entire Levy clan. My heartfelt prayers and condolence go out to your entire family on the loss of your beloved and beautiful matriarch of the family. Truly 'Mama Mae' as she was affectionately called by her lovely children, was a Blessed giant of a woman who exhibited lots of principles and strength of character, attributes which she has passed on to and which radiates through her children. Mabel you have taught them well. May the Lord take Mabel into His arms and grant her eternal rest. May He comfort her entire family and grant them peace as her everlasting memory lives on in their hearts."*

“ Diana and family, I am sorry you had to lose someone so important and special in your life. I'll be praying for you and the rest of your family

Moms are special people, especially ones Mama Mae. From the little time I have spent with her and what I have heard about her, I could tell she was an amazing lady Good mothers hold a special place in their hearts for their children and most children hold a special place in their hearts for their mothers. I'm sorry for the hole that you have now Please accept my condolences for the loss of your mother Stay Strong and remember God takes care of all things.
