“ Your death has hit me so hard. Since the day I met you, you reminded me so much of my grandmother. So I always considered you as a grandmother. Thank you for opening your doors to your grandson Miguel and I and our son. I am truly grateful to have had you in my life. You were such a beautiful woman of God, so loving, caring, and giving. I always enjoyed cooking for you and that’s one thing I will miss doing for you. I hate that you will no longer be here physically with us, but I’m relieved that you are no longer in pain and suffering. I know for sure you are right beside Jesus, smiling down on all of us and watching over us. I wish we could’ve had more time with you and I wish my daughter could’ve had the chance to know you. I will make sure Meilani knows all the wonderful things about her great grandmother. Thank you again for all that you’ve done, I will always cherish you and the memories, and keep you close to my heart. You will be missed. I will love you forever Welita ☐☐
