Dr. Mario Antonio Possas was the son of Jose da Annunciacao Possas and Inelzira de Moura Possas from Sao Joao Del Rei, Minas Gerais, both children of Italian, Portuguese and Irish immigrants in Brazil. The middle child of the couple, he tragically lost his father at the age of 6 and soon after, his younger sister at the age of 7 years old. He went through many hardships as a young child growing up in a single parent home before he put himself in Medical School while working as a Dental Assistant for a local Dentist Dr. Elias Bara. He graduated as a M.D. from the Federal University of Juiz de Fora, M.G., Brazil specializing as an Obstetrician and Gynecologist in 1971. His first Hospital work was under Dr. Jose Carneiro Gondim in the Hospital of Santa Casa de Misericordiosa in Juiz de Fora, Brazil. He returned to the Brazilian Army Military Force after graduating as a Doctor and worked in the Armed

Forces as a decorated Military M.D. Officer in Juiz de Fora. MG from 1973 to 1976.

Dr. Mario A. Possas career went on to eventually help co-founded UNIMEDI in Juiz de Fora, a Health Insurance agency still in place in the city. He is now decorated as a doctor meritorious for the agency. He also worked at the following Hospitals in the same city: Hospital Casa de Saude, Hospital COTREL, Hospital Santa Casa de Misericordia, and "The Union of Sindicato dos Trabalhadores dos Condutores de Veiculos" while maintaining his own private OB/GYN Clinic as well. Overtime, Dr. Mario A. Possas has cataloged over 5,000 births he brought into the world in private practice alone.

His first job, as a medical doctor was a small town called Silveirania, in Minas Gerais where he drove 3 hours from here he lived and there was no hospital or health care in place. After 2 years with the help of County Mayor Mr. Jalmeno Lima de Oliveira, Dr. Mario Possas help established the first Health Center for the County region called "Secretaria Municipal de Saude de Silverania, Estado de Minas Gerais, Brazil". Today it is administered by the State of Minas Gerais employing hundreds of doctors in various small towns. It was at this town, Silveirania, that he met his wife Helena A. Possas and married her on December 12, 1971. Her father, Odorico Teixeira Campos help facilitated Dr. Mario A. Possas first job in the town.

Dr. Mario A. Possas enjoyed game hunting, fishing and fishing farming and nature walking, hiking, bird watching, spending time in their family cabin in the mountains and he was a lifelong fan of The Fluminense, his Home Team of Soccer in Brazil.

Dr Mario A. Possas also enjoyed light sunbathing on the beach and crossword puzzles. He was an avid reader and dabbled on the piano some, since all his aunts also played the piano and his children also played the piano. He

enjoyed listening to all the music of Frank Sinatra and "The Rat Pack". He was a fan of watching Western movies with Clint Eastwood and The Series of James Bond and Indiana Jones.

Dr. Mario A. Possas also enjoyed playing jokes, playing little children mischief with his grandson and laughing. Dr. Mario Possas was an active member of Saint Gregory Catholic Church in Plantation, Florida along with his wife and son Mario Possas Jr..

Dr. Mario A. Possas will be remembered for his loving and gentle ways, for his good sense of humor, for his laugh, for being calm at all times, for loving to eat his desserts, for bringing flowers and writing loving notes to his wife out of the blue, for always citing the Ecclesiastes 3 to his daughters, for playing soccer with his son, for being a great dad and a great grandfather always with a candie and a soccer ball handy.

In Brazil, he is remembered by being an amazing and generous person, a brilliant doctor, a doctor "of the people", a humble person, a person people could count on, a nature person, a military guy, a fishing and hunting friend, a devoted son, a loving husband, a family guy and a devoted Catholic to the Church and God.

“ *For the whole family..... my sincere feelings for your loss. He was a great man, a very humble and focused man who we all should have as an example. A man of respect who could appreciate the most simple things in life. My prayers to God to comfort the hearts of his beloved family, to bless his soul and have him by his side on heaven.*

“ To our dear friends, the Posas family,
With all our love we dedicate this prayer. We hope that all of us who
are grieving for Dr Posas find comfort in these words:

*There is a season for all things, a time for every purpose under
heaven;*

A time to be born and a time to die;

A time to plant and a time to uproot;

A time to tear down and a time to build up;

A time to weep and a time to laugh;

A time to grieve and a time to dance;

A time to throw stones and a time to gather stones;

A time to embrace and a time to refrain from embracing;

A time to seek and a time to lose;

A time to keep and a time to discard;

A time to tear and a time to sew;

A time to keep silent and a time to speak...

“ *My Dearest Forever Sister Helena,
We can't stop thinking about our great loss, that Dr Posas is no longer with us. You and Dr Posas have been so fortunate that you had each other for so many years. And you have been an angel for him, taking such good care of him every day with the same love and tenderness. We hope that now you can rest and find comfort knowing that he is with our Creator, free of pain and suffering. Have faith that the spirit of G-d is shining on him.
He had a wonderful life, professionally and with his family. He dedicated his life to the very highest calling, helping countless women give life to their children. Think of how many babies cried for the first time, in their first moments of life, in his strong and safe hands, even as he was ensuring that their mothers were healthy after the birth. And How many times he cut the umbilical cord that gave them a life of their own. All this with love and commitment. We pray that knowing all this brings comfort and peace to you and your children, and now, the rest that you all so deserve.
All our reflections lead us to this conclusion: that the Posas family has many reasons to feel proud, blessed, and grateful, to have had such a man as your husband and father.
His legacy to his family is precious and priceless, and you and the children will carry it forward with pride and honor. May G-d bless you all; we send you our best hugs across the distance, and our greatest respect for such a life so well lived.*

Baruch HaShem: May G-d be blessed, for the miracle of life and for the life of Dr Posas.

*With much love,
Rosario and David*

“ *My sincere condolence to the family and Friends who are grieving the loss of a wonderful man. As a chaplain i had visited Dr. Possas several times and it was always a pure joy. He had a calm and peaceful spirit, and his smile that i remember. I remember playing songs in Portuguese and his favorite chapter from the Bible Ecclesiastics 3. What a beautiful life story, the lives that he had impacted, he is a true inspiration. His dedication in the medical field and all the families and children that have been blessed through his dedicated service needs to be commended. What a lovely family, he couldn't have asked for more, for all the love and affection and visits that he received. He was a strong man from within, he fought the good fight and has finished his race. God be with you all!*

Amiga, nessa hora de dor e angústia face a ter perdido na morte seu marido, receba meus sentidos pêsames com votos de que tenha a força necessária para superar esse terrível acontecimento.
