“ *Sorry about your loss. Hope the family is doing well. I am praying for you.*

*You can only have one mother
patient kind and true*

No other friend in all the world

Will be the same to you

when other friends forsake you

to mother you will return

for all her loving kindness

she ask nothing in return

as you look upon her picture

sweet memories you will recall

of a face so full of sunshine

and a smile for one and all

sweet Jesus take this family with their love and sorrow

and remind them that you are there

let them know to cast their care upon you

because their care you will carry and the load you will bear.
