“ *Monica took care of me at birth because our mother was not able to due to complications during delivery. For me she is not just a dear sister but MUMS. That was her pet name which she richly deserved. She was always looking out for and helping others. May her soul rest in peace.*

*“ I will miss Monica. She always prayed with me. She also said my husband, Warren, was her boyfriend, so I brought him with me frequently for my visits. Monica and I laughed a lot together. Our friendship started when we both sang in the choir at the Episcopal church. I will miss my dear sister in Christ.

“ Please accept my family' s sincere condolences on your tremendous loss of your dear Mom, Aunt Monica. She always provided so much love, guidance and strong family assurance when we were growing up in Jamaica. She would be there to pick us up when we faltered, when we needed a mother figure when ours was not available, a best friend and a great listening ear.

*I know that you will miss her beyond words can express, be comforted by all the wonderful memories you shared as they will be blessings to you both.*

*May her sweet soul rest in peace and light perpetual shine upon her as she is rocked in our Dear Savior' s loving arms.*

*Love always,*
