“ *We just heard the news today and wanted to send our condolences to Isabella and the family . We knew Nefti for over 30 years and were roommates at one time . He was a good friend and a good soul and a good " Uncle Nefti" words can not express how he and his smile will be missed by us and remembered . I remember we shared a birthday and how he always managed to keep in touch no matter how busy all of ours lives had gotten . He will be forever in our hearts .*

“ We're very saddened to learn the news about Nefty. We had been calling his number since January because without any notice, he stopped coming to service our house since December. That was very unusual of him because over 20 years servicing our house, he never missed a single month. He was reliable, a true professional, but most of all, caring. He never missed bringing treats for our dogs and he remembered the name of each one of them, going back to our very first dog. That was the type of kind soul he was! We will miss him always. We picture him in heaven with all the wagging tails waiting for his treats and his big smile. Nefty, thank you for everything, we are thankful for your hard work and you will always be appreciated. It will be very hard to replace you and you will be missed forever. Rest in peace.

To his family, our deep condolences and please know that you are in our thoughts and prayers. We would like to reach out to his family but we don't have any contact information.

“ We have been Nefty's clients for almost 7 years. He was a true professional who loved to chat with us about the Patriots and Boston College. Nefty always had a dog treat for our St. Bernard. He was a kind man who always texted the night before he came to our home every 2 months. All of us enjoyed spending a few minutes with Nefty. He always remembered things about our kids, parents and lives. Our deepest condolences to his family, we are so glad we were able to know him. Rest in peace Nefty.
