“ ANGEL IN HEAVEN: (In Loving Memory of my Father) Noel L. Witter passed at a young tender age of 53 on "Good Friday" April 18, 2014. He was more than just a man, he was a father, a brother, a son, an uncle; the man I looked up to and wanted to be just like in my older years. People may not have always understood his ways, but I would like to believe that every actions/decisions he made was always with the best intentions at heart. I will pick up where he left off and take his legacy to greater heights. As his father lived through him, he lives through me and so forth for the next generation of Witter's. Heaven has another Angel to help build up the kingdom of the Lord! *** Antoine Noel Witter

“ One of the things that I respected the most about my brother was his determination to live his life the way he wanted. His goals and aspirations were different than my own, but that didn't mean that him and I weren't close. He was a best friend to me, we always talked and were there whenever each other needed. I will miss my brother more than words can say. He may be gone but his memory will live on in our hearts forever.
