“ *Dear Raqs: You continue to be in my thoughts and prayers during this time of your mom's illness and passing. Your care for her is testament to the depth of love you both shared for one another. It is a love that will always be there with you and for you. Death holds no power over love, especially the love of a mother. Hold tenaciously to the memories and know that she will be with you always! Love, Meg.*

“ *Nora was a caring, committed Christian lady; a generous and supportive person who exuded grace. She was always sharing her baked goods with us and looked out for our little ones. She gave unstintingly of her means. She had a warm and inviting manner and always made us feel special. We look forward to meeting her in the first resurrection.*
