“ My condolences to your family on the loss of a great women that was known in our home as Aunt Pat , she was really my first cousin (my Aunt G's daughter). My mom Hazel Sustar (nee Adamson) was very close to Pat and talked to her monthly and considered her one of her best friends. My mom told us a story that when Olga aka Pat was born my mom was 10 years old and until my mom left Jamaica they where like sisters.

*Sending Love, Peace and positive vibes during this difficult time.
Hazel Sustar (nee Adamson) and the Sustar family - Louie, Wayne, Darren, Marcel and Kaeman.*

“ Hazel, Deano, Deandra and Dean, I pray that you will draw strength from God and from each other, enough strength to carry you through each day.

Your lives will never be the same, there will always be a void. But you can fill most of it with the wonderful memories of your mom and grandmother.

God be with you.
