Paula Hutchinson, 65, of Coconut Creek, FL was born August 7, 1952, and passed away Tuesday, February 27, 2018, at Kindred Hospital.

Born in Bayonne, NJ, she had resided in New Brunswick for over 45 years. About 6 years ago she relocated to Coconut Creek, FL.

She will be remembered most for her personality, her willingness to do onto others and that smile of hers. She would light up a room and when she entered you knew you were in for some laughs. She was a caregiver to all who needed her. She enjoyed life and loved to step out and have a good time. She was a very loving, caring and giving person. Spiritual and truly blessed. She loved reading, spending time with family and friends, the beach life in FL as well as going out to shows and concerts. One of her favorite things to say each and every single morning was "Happy Morning, Happy Day". Something she lived by and we will truly miss hearing and reading it via text each morning. We love you mother and you will live on in our hearts forever and ever.

“ I just read about the passing of Paula my friend since Junior High School. Words can not express how I feel. I am so glad that we had a chance to spend some quality time together two years ago. We took a trip to Miami to see my family. Paula will be remembered for her kind heart and sense of humor. She loved her family. She was especially proud of her daughter Sharanda. I will not be able to attend the memorial service but I will lift the family in prayer. Rest well Paula! Your friend MoniQue Smith

“ *My Dearest Aunt Paula.
After your phone dailed me yesterday and nobody was on the line, I realize I never thought this day would come. It was such a shock that I called Sharanda and said "STOP playing on my phone." What I would do to hear your voice one more time. There will never be another you. You was always a phone call or plane away no matter what. Missing you already...*

“ *Dear Auntie Paula.
I was devastated to hear of your passing and I wish I could be there to hug and kiss you one last time. I always thought we had more time and your leaving was so unexpected. I know that you loved me and more importantly I know you knew I loved you. I want to thank you for everything from introducing me to my family, giving me safe harbor, letting me live with you and helping raise my first born just to name a few. You were always there to lend an ear and always offered loving advice. I will forever be grateful. So until we see each other again I'll keep an eye on Sarah June and make sure she don't cut up too much. Say hi to the family for me. Love you always and forever*

“ I miss you mom forever and a day. No words can express what I am feeling but I know you would want me to pick myself up and press on. So that I will do for you. Until we meet again I know you will continue to watch over me. All through I will not hear you voice every single morning or hear you say "Happy Morning, Happy Day". The sound of your voice and the memories will live on. Love you mother of mine. Your daughter Sharanda Hutchinson.
