“ My cherished memories of Cousin Phyllis is her lovely smile, calm voice and deportment. Always willing to help and share. I remembered when ever she travelled to Trinidad, she would eagerly visit my mom, (her Aunty Etta), bringing little gifts for all eleven siblings. Such a gentle soul.

Kurt, Hayden, Brent & Ronnie & your family; please accept our deepest condolences on the loss of your dear Mother, Cousin Phyllis. Also extending heartfelt sympathy to Cousin Jacqueline, on the loss of your beloved sister. Holding you all close in my thoughts & prayers, as you remember your loved one. Cherish and be comforted by all her good memories & legacy. May Cousin Phyllis rest in eternal peace. Well done, thou good and faithful servant, now sleep in peace.

“ *My Gradma Phyllis is always in my thoughts and prayers.*

She was an amazing Mother, Sister, Daughter, Friend and an outstanding Grand Mother to me and all my siblings.

There were days where she would randomly come over put 20 dollars in my pocket, take me to get a haircut and buy me whatever I wanted from burger king. I never enjoyed getting a haircut, but she turned something I didn't enjoy to something I looked forward too. If Grandma wasn't going with me to get a haircut, I wasn't getting a haircut.

She always supported and loved everyone close to her regardless of the situation especially family, her love was unconditional.

Thank you for all the love, dedication, and strength you have given to our family.

You will always be remembered and deeply missed, but I know you are in a better place happy and healthy. One day we will meet again.

Love & Blessings - Stefan
