“ *The last time I saw you was at work. You always made me laugh everytime I saw you. You was going in on Randall, had us all laughing including Randall and turned around and let me taste some of your delicious sweet potatoe pie (with coconuts). I enjoyed every moment we shared together even though I only had known you a couple of years, you made it seem like i had known you for years. Thanks for the laughs and the talks. You akways mentioned your children and how proud you where of them. My prayers are with your children and family, my God give you all strength. Sharae if you need anyone to talk to or anything that I can provide, i am here for you.*

“ *After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed. This is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us.*
May God give you peace and comfort during this difficult time.

“ *Belinda and Family:*

So sorry to hear of your Loss. May God grant you comfort and peace from above at this time that only he can give. I will forever remember Sharette, even as a little girl, because we all grew up together in Liberty Park and everyone knew "Mrs. Mattie girls". Let the memories of Sharette give you the strength you need to make it in the coming days ahead.
