“ *Sincere condolences to the Dwyer family, and friends of the family, in the passing of Retta. It's always so difficult to say goodbye to the ones we love, especially when it happens suddenly. I hope you will find strength in the love of family, and love and support from those who, no doubt, will be there to comfort you. This is a part of life's journey. Retta just went ahead of us. Rest well Retta, we'll meet again.*

“ *It is well, God does not make mistakes, be of good cheer. This is not goodbye but see you later. I will miss her smile, our quiet times together, our talks, and the times when we could not say anything but to sing praises to God. She is gone from this world and its troubles and I am happy for her. She will always be in my heart. I will see her again in heaven.*

“ To My Dearest Rita,

I just wanted to say Thank you for the times that you shared in my life when you were here. Thank you for being Adrian's (my son) Godmother.

We have shared some precious time together. You were always sweet, kind and angelic, you never liked to see anyone hurt, or in despair, I know this because you there for me in some dark times! Just wanted to remind you of all the fun we use to have hanging out together, playing hair dressers, dancing! etc!

When you decided to move to Florida, my heart was broken, however, I knew we had to grow up, it's life.

I know you left us here because God needed an Angel, and he chose you, what an honor!

To Patrick and Ken, and the rest of the Dwyer Family from the Heslop Family our thoughts a prayers will always be with you, and Rita's memory will always be with us and they will be very precious. We are with you in spirit!

Love always Petal, and the Heslop, here in Canada....
