Yo te extrañaré, tenlo por seguro, I will miss you be assured of that

Fueron tantos bellos y malos momentos They were so many beautiful and bad moment

Que vivimos juntos. los detalles, las pequeñas cosas, That we lived through together the details, the little things

Lo que parecía no importante, son las que mas invaden mi mente That seemed to be not so important are those who more invade my mind

Al recordarte. when I think of you.

Ojala pudiera devolver el tiempo I wish I could turn back the time

Para verte de nuevo, para darte un abrazo y nunca soltarte... To see you again, To hug you again and never let you go....

Mas comprendo que llego tu tiempo, que Dios te ha llamado, I understand that now is you time, that God has call you,

Para estar a su lado asi el lo quizo, pero yo nunca pense que To be by his

side that is what he wanted. But I never thought that

Doliera tanto... Ya no llores por mi Yo estoy en un lugar (lleno de luz), it would hurt so much.. Don't cry for me I am in a place (full of light),

Donde existe paz, donde no hay maldad. Donde puedo descansar... Where peace exists, where there's not evil. Where I can Rest...

No llores por mi es tan bello aqui, (nunca imagine) Quiero que seas Don't cry for me it's so beautiful here, (like I never imagined).

Feliz, que te vaya bien y cuando te toque partir; espero verte aqui.. I want you To be happy, I hope you go well and when is your

Yo te extranare tenlo por seguro. Como pensar que la vida puede time to go; I hope to see you here. I will miss you be assured

Terminar en un segundo... La vida es polvo, of that, to think that life can end in a second...

puede esparcirse en un momento, Life is dust it can spread itself in a moment.

Nada traistes, Nada te llevaras. You brought nothing. You will take nothing

Solo lo que habia dentro. Only what is inside

Yo te extranare... I will miss you...
