“ *Mr. Richard Leighton Chin*

October 06, 2023 at 12:11 AM

“ *Albert, Richard, Darlene and Kerrie-Ann Chin were the 4 dynamic siblings who were a part of the Youth Choir and Youth Group at the Church of Reconciliation in Bridgeport in the 1980s. Among them, everyone could find a friend. Richard was a part of that energy who was on hikes, traveled on the train to retreat in Balaclava, overnight camps at Clydesdale. He was a typical brother who pranked and provoked all us girls - who had become his sisters by extension. Like a good brother, he looked after us girls helping us on step climbs and I remember him carrying Kerrie's bags so she was so much younger. It is so sad to write this tribute at this time. I wish for his family consolation. May his soul rest in peace.*

“ *I am so sorry to hear about Richard's untimely death. We knew each other from Edgewater. Condolence to the Darlene and the family. We will never understand why these things happen but I pray that the family will be comforted in the arms of our Lord. May his soul rest in peace and let perpetual light shine upon him Simone Fong Kong (nee Chin).*

*“ Rest in Perfect Peace Richard. Everybody is baffled as to the reason you had to leave us so suddenly, but we will all remember the impact your life had on each and everyone of us. So humble and peaceful, hardly ever raised your voice, forever laughing. I have known you for most of my life, it is so sad to know that you are no longer a phone call away. Sleep on, until we meet again!!!*

*To family you have lost a loved one, but you undoubtedly have gained an ANGEL. Richard you will forever remain in our hearts.*

“ Blessings to Richards mom kids and the rest of his family.  
This has been a tremendous suprise.  
Richard is loved by me my family and his former co workers he was  
a "good man" in very sense of the word he can never be forgotten  
,he has made a tremendous impact on my life and has tought me a  
lot about life ,love and commitment .  
Richard is without doubt the most honest and humblest man i know.  
I do not know why it was necessary for Richard to pass now..i leave  
it to "God knows best"  
Richard you live on in my heart..forever.

“ I have been friends with Richard (and the Chin family) from age 11 or 12 when I started at St. George's College, and while Richard was at Kingston College. So Richard and I are the same age. I also lived in the same Edgewater community in Portmore as did the Chins - the Chin family home was also my home --- when I was not at my home, school or church. Aunt Monica is my "other mother." I lived with my parents on Corrine Crescent and the Chins lived on Mitchell Crescent. I was best man at Richard's wedding; and am (Uncle) God father to his children. This is sad news for me. Very sad news!! This news has shocked me and rocked me!!! I will be flying from Canada (Edmonton, Alberta) to arrive to Ft. Lauderdale on January 17, so as to stand with and support the Chin family. My love to Aunt Monica, Albert, Darlene & Kerrie - and of course the rest of the family. Lots of love to you all!! Love from -- Roger Francis (roger@rg francis.com); love also from the entire Francis family; formerly of Corrine Crescent, Edgewater (Maria, Clifford, Paul & Stacy)

“ I am Richard's aunt. I babysat him when he was a child. I remember him being very sensitive and loving. My pet name for him was Ricks. His heart was tender towards The Lord. Be at peace and your Kindness do follow you Ricks.
