“ *A very long time ago I met Michael. He was the Captain of the Pez Espada. I was so taken by all he knew how to do and ended up on the yacht with him and many others. He gave me an adventure that I will never forget! Sadly we lost touch and imrecently found him on facebook. He was a mentor to me, and told me once, "I will be one of your greatest teachers!" He was. To all of his family, friends, I am so sorry for your loss. He will always remain in my heart and memories. may he rest in peace.*
