“ The memories I have of my father is when I would get in trouble by my mother and she was ready to beat me and I would run to him and he would tell my mom don't beat me or when he would take me to McDonalds for breakfast before going to school and him telling me he love me no matter what happens I wish I can see him one last time and tell him I'm so sorry for not have being good enough for him and if he could forgive me 😭😭😭😭
