“ Grandma, Gamooon, ahhhhh,
I miss you dearly and truly. Your love and spirit will linger with us forever! To go back to the days when I was child. To this present day; I'll never forget the song you would sing that put me back to bed right away singing “fe dò dò, fe dò dò, fe dò dò ti gason “ it was so simple but yet so beautiful how soft and soothing your voice was while singing. To this day I sing the same soft melody to my children.

I could go on and on about these memories. Another one that stood out to me that was so funny. And we all know this! Everywhere Grandma went she had to be did up lol. Hair makeup and smell good, boy if that hair wasn't right grandma would have to stop everything and get in front the mirror to get right! Man Gamoon had the best smelling perfume a woman can buy!

And lastly her beautiful smile! All of us know if we were having a rough day or just something going on, Gamoons presence or even a phone call alone will brighten your day up instantly! She just had this aura about her that lingers! You can just feel it; and that aura is love ,happiness and an abundance of joy!

Nou renmen ou Gamoon ❤️🇧🇩
