“ *REMEMBRANCE FOR THE LIFE OF THE LATE SADIE HOLNESS MCLENNON*

Aunt Sadie, was a very special lady. She was always supporting you in whatever way, she was always giving good and sound advice, she migrated to US and I remember on one of her visit to Jamaica, we had a good chat and that's when she told me how proud she was of how I grew my girls. She was willing to give her support in times of difficulties. Am glad I got the opportunity to know her.

So we will always remember Aunt Sadie. May her soul rest in peace.

“ Good day and well wishes to all friends and family of our dearly departed Aunt Sadie as she was commonly known as. My name is Shaun Fearon aunt Sadie was my elder Cousin but I called her Aunt. She was truly blessed it was amazing to see her independence at her age she was able to maintain herself I always made it a point to tell her how proud I was of her. Two years ago I started doing a family tree I would always call her to hear her share stories and names of family from the old days her memory and sharpness was incomparable to anything I have seen. I am truly grateful for every moment spent with her whether in person or over the phone. Rest in Peace Aunty.

*My dear Aunt Sadie, was a strong, independent and fierce lady at 90 years. I was saddened that she had made her transition so suddenly but it is said " we know not the time nor the hour" I know she had made her peace with her maker and she had no regrets. I will miss the times we spent exchanging freshly squeezed juices and hearing your laughter. May you rest in peace
Love your niece,
Michelle*
