“ *Not a day goes by when my dearest brother is not my thoughts. Thank God, God shared you with us. That in it itself is the definition of love. I have accepted that God controls the timing of everything. Thank you Lord until You, Lord, allow us to see, meet and love each other again. If God could give you a message, this is what it would be. “Live is tough these days. Coronavirus is destroying the world, u would not believe it, But God is take care of the entire family. The world is no longer the same.”*
