“ *I met Shawna Kay only once at Peachtree Medical- we bonded immediately. I told her about a son we lost in an accident, she told me about her husband and children- we shared our faith. She invited my family to visit her church. Only days later, we adopted a son and I called to make an appt w/ Shawna, I was excited to share the news with her. I was told that she had taken another position. I've thought of Shawna often, even read a book on godly courtship that she'd told me about (for our older children). I had prayed that our paths would cross again as I could not recall the name of the church she attended. Two days ago, I called Peachtree Urgent Care to make an appt for my kids, and decided to ask once more if anyone knew what practice Shawna had gone to. They shared the news of her passing and it's pierced my heart...I am lifting your beautiful family in my prayers. Elizabeth DeWalt*
