“ *Shereen and I were Born 11-days Apart...our names in alphabetical order by first or last name always made us end up beside each other in school. It was meant to be, A lifetime of friendship! We met at Lauderhill Middle and became best friends In 9th grade at Boyd Anderson! I miss my friend! She was the only person that could convince me to dosomething I didn't want to do 😭 She taught me how to cook rice, she Wrote all my love letters for me because she had a way with words, she made me go to a tent revival with her so we could hang out, we did each other's homework. Shereen was a force to be reckoned with. I will miss her dearly. Her vibrant smile her confidence and her persuasive speech! My prayers will continue to be for her family and her children.*

“ *From: Dennis & Carol Thompson*

Dearest Dorrette, from the time we met at Santa Cruz SDA church in the 1970s, we have been like family, as you, P and I participated in church work together, and watched our children grow up to take their places in society.

Over the years, Shereen blossomed and matured into a kind, warm, caring, giving, helpful, thoughtful "Angel." She was, indeed, someone very special, who was loved by everyone who met her.

I know it is with profound sadness that you are all experiencing her loss, but be assured, that our hearts are with you at this time. We grieve with you since her parting, but we do so with the BLESSED HOPE we confidently claim in Christ Jesus, our Risen Saviour, that one day, soon, we will see her again, never to part.

Our deepest and sincerest condolences are being sent to you, Egbert, family and extended family, with a prayer for Our Father's sweet peace, calming comfort and mighty strength to continue to help you face the days ahead.

We love you.

Carol, Dennis Thompson & family.

“ *Shereen has been a good friend and coworker for several years. We could talk and laugh about anything just like we did before she left Pgh. I will miss her beautiful smile and or conversations. As she would call me Den Den walking down the hall of the hospital. Heaven has a angel. I love you*
