For Stephney Georgia Robinson

Stephney Georgia Robinson was the fifth child born to Stanford and Valda Robinson on January 13th, 1949 in Kingston, Jamaica.

She was loved by all. Her friendliness and love of all people especially children made her a favorite. She was the best daughter, the best sister, the best aunty, the best grand aunty and the best friend anyone could ever have.

She was the life of every party. Even though she did not have any children of her own she was involved in the life of all her nieces, grand nieces, nephews, grand nephews, and the children of her friends.

She made everyone feel warm and loved.

We are devastated. There is a hole in our hearts that can never be filled.

She will be remembered for the good deeds she did in helping those in need, children, the elderly, and others alike.

Stephney had health issues in the last few months that she struggled with. She fought a good fight, but sadly she lost the battle despite all her efforts.

She passed away quietly and peacefully with family by her side on June 26th at 8:13 pm at Cleveland Clinic Hospital.

Gone too soon. She will never be forgotten and will be in our hearts forever.

Thank you Steff (Curline) for being our sister and friend.

We love you, Rest in Eternal Peace!!!

“ *Auntie, I remember when you first met my daughter. She was almost 1 yrs old. She reached for you and you picked her up. Her little hands touched your face and you kissed hers. You both smiled at each other and you hugged her. That was ten years ago. Feels like it was yesterday. Still mourning mom and we lose you. My heart is so heavy! I'm gonna miss you Aunt Steph!! “ To Curline,

My dearest sister and my very best friend. I never ever tried to make anyone my best friend because I already had one and that was you. I didn't think I needed any one else.

It didn't matter how many times per day we spoke, it still was not enough.

My children were your children and my grandchildren were yours. I told you that every chance I got. I meant it and my children knew it. You meant so much to them.

We planned to grow old together living under the same roof. I was looking forward to that time which would have happened sooner rather than later. You took care of me when I was little and I promised to take care of you when the time came and you couldn't take care of yourself.

It seems so unfair that you left us so suddenly. Life seems so unkind. God know best, they tell me - I have to believe that. That's the only statement that offers me any form of comfort.

I can't imagine what I'm going to do without you. Yes, I can - I will be lonely. I will pick up the phone several times per day to call you. I will reach for the phone every time it rings hoping it's you. It's going to be very hard - I'll cry every time I think of you. I will miss you so very much.

I have so many indelible memories. There is a very special place in my heart that you will always occupy. I will always love you!

Rest in eternal peace my sister, my best friend.

“ Aunt Steph, you have always been a shining light in our lives. You were always dressed so fancy and wearing a beautiful smile. Your laugh was the best; it was contagious. You always put your family first and we were so fortunate to call you our aunt and great aunt, to the kids. Your life was a blessing. Your memory is now a treasure. You are loved beyond words and will be missed beyond measure. May you rest with the angels. ❤️

“ My beautiful friend from Windward Rd School 1959. Stephney was a runner , on sports day she ran like the wind with her long ponytail flying behind her. We lost touch over the years, but reconnected , and it was such a joy we shared stories of our past childhood. She also told me when kids would bully her I would always defend her. I loved my friend and my heart is broken that she is no longer here . Rest In Peace my friend. God Bless Strengthen and Vomfort your Family. ❤️💕🌸

“ *As beautiful on the inside as the outside. My dear cousin, and a very special friend. We started our friendship around 1968 in New York. She used to socialize with me and my brothers, parties, discos, etc. She was a petite, lovely girl with a pretty smile, a great laugh and a cute voice all her own, someone who people were drawn to just because of her warmth and open heartedness.*

Over the years she had her trials and tribulations and some great disappointments but she never became embittered. She put one foot in front of the other, and kept going. She dealt with the bad times and made a positive life for herself. Always a pleasure to be around, and when needed, she provided a shoulder to cry on for those who needed it.

The wonderful memories I have of her combine now with grief at her passing but although the grief will always be there, so will the beautiful memories because knowing her was a blessing. Knowing she is in a place where she is reunited with those who loved her, and that she is no longer burdened with the troubles of this world, and is happy brings comfort at this time.

“ Show me someone that effortlessly lifted your spirit and i'll show you Stephaney Robinson. Most commonly referred Steph, her beautiful smile was a sight to behold, an instant sense off warmness would consume you and the softness of her heart would comfort your soul. She was more than a Lady, she was synonymous to a radiant light of care and love that illuminated brighter as our relationship bloomed.

In times of necessity, her shoulder was column that supported my spirits through grief and pain. When my mother was ill she nurtured me, and upon my moms passing she inadvertently became a mother to me. I vividly remember applying my makeup every Sunday before I went to church, while she said 'June i'm going to make you a beautiful girl today'.

Steph had an immense amount of love to give, her dog rocky was a recipient of alot of her love, when she wasn't home, she frequently call with concerns about her baby Rocky. She would instruct me on what to feed him and where to take him on walks just to ensure that his security and comfort was preserved.

Steph was also my advisor and at times my counsellor, she was spot on, knowing what to say and when to say it. Steph always encourage me to vote, she was persistent in that regard and made me realize how important our voice were. Even though she was my land lady, she sincerely cared about my emotionally and mentally wellbeing.

I still remember some of her warmest words "June you are not just my tenant or house mate, you are most of all family". Her soul will be truly missed, I will fervently cherish and review all the accounts of our friendship. Rest well my dearest Steph.

“ Aunty Steph,

You were such a glamorous, fun and kind woman. As my godmother, you showed me an immense amount of love and care. You taught me how to put on make-up and helped me shop for prom shoes. Later in life, you read a Bible passage at my wedding and celebrated the birth of my two children. You were there for all of life's major milestones and everything in between. I will forever cherish our talks, cards and visits.

May you rest in peace.

“ My dearest Steph,
Oh how I cherish our time together (40+ yrs). We’ve gone through “thick & thin” over these years and I am so grateful to have been a part of it all. It began from our days as flight attendants (memories of you scolding me “Jay, I’m not requesting to fly with you anymore! You always get us into trouble!” Yes I did! Many times dragging you out on adventures during layovers and somehow almost will miss our “show-time” or could hardly get up next morning for our flight. Hahaha! Weren’t they wonderful times? Right now you’d be looking down at me with the most beautiful smile (meaning “yes, but...”). Memories such as these and other life experiences we shared throughout our years will never be forgotten. You may be gone but you will be forever with me in spirit. Rest In Peace.

To the family: “May you know that absence is alive with hidden presence, that nothing is ever lost or forgotten”

Love,
Jay
