“ *Thank you for everything Tashawn. Since 2nd grade you've been one of the best friends I've ever had. You always lit up a room and brought joy to every situation, no one could tell a story like you could! I'm glad to have known someone who lived their life the way you did. I'm glad we got to be there for so many of each other's big life moments, I'm heartbroken we won't get to make more... You will continue to inspire me as long as I live. Thank you bro.*

“ *Thank you for being there for my sister!! You were a true friend to her. Everytime I seen you, you were smiling. It was something about your spirit, I just knew you were a good person by the way you lit up the room and just overflowed with happiness. You are apart of the few good men!!! DON*

“ Oh gosh can't believe I am doing this. You were the sweetest most beautiful baby boy. I remember hearing bright n early in the morning that you had arrived into this world. Omg I remember being so mesmerized by how beautiful you were. Words cannot express how I feel. I'm angry at myself that I didn't have a closer relationship with you. But I'm happy that I got to tell you how important you were to all of us here in NY. I have always love u near or far and maybe it's also because of the love I had for your mom . I always wanted to know if you were like her , she was the kindest most genuine person I have ever meet. She would give her last and oh she keep u laughing 24 hours a day. Her heart was made of gold and from what I've seen n heard so was yours. I know you're sitting n laughing with her now. Sleep easy baby boy we will never forget you❤️❤️❤️

Baby Boy , the first of the bunch. You were such a beautiful baby tht grew up to be such a handsome man . This thing we call life is so unfair at times and so hard to to comprehend. But All I can think to make this more bearable is tht your job here on earth was complete and the Lord saw fit to reunite you and your mom and if I knw anything I knw she was right there waiting for you with the biggest smile and tightest hug . May both your souls REST IN ETERNAL PEACE ! Love you both FOREVER....Farah
