“ *Father Terlin was a man of comfort in my life. I will never forget the words he shared with me in one of my marital difficulties. He made me promises and shared solid words of wisdom such as only one person in my family ever share with me before. He is a person whom I will always remember for his caring and understanding personality.*

Thank you for helping me to jump start my career as a nurse. I miss you much already. I will always teach your grand-daughters Sarah and Neeyah about you. I will miss you so much. The house is not the same without you. I'm in love with you Dad and I will always be. I thank God for blessing mom and us with you. Love, your daughter Lannie (Lunie) Thomas*
