“ *Hi Pops,
This is the hardest thing I have ever had to deal with in my life.
Thank you for being there for all the family gatherings and I know you will be at future ones.
We're going to miss your jokes, your dance moves, your delicious burgers and fruit punch. I'm so happy that Wayne and Warren had a chance to spend a one and one time with you. I will always cherish that picture Warren took. You are with the Lord now watching over us. You left us with lots of great memories and laughter. You are going to be greatly missed.
We will always love you,and you will always have a special place in our hearts.*

*Rest in peace and we will miss you Dad
