“ Thank you Sister Brown for all you did for our children. I enrolled my daughter into your “daycare” (it’s much more than that) and soon found out that not only was she in good hands to be cared for physically, but that she would be prepared academically as well. For this, we cannot thank you enough. Your love, kindness, and guidance will be missed.

To the family, please accept our condolences. We continue to pray for you as you grieve this tremendous loss.

Love,
Francine, Donaster, and Zion Colas

“ I do not have enough words to express how I miss my friend, and my School Board Chair. She was there for me as she said she would when she encouraged me to apply for the principal position at WAKJA. Up to the night before her hospitalization we talked. She was such a source of inspiration to me and our school. I thank her and her husband for loving WAKJA. Elder Brown, siblings, and the rest of family, I encourage you to be faithful, so we will meet her again. Let’s live by the memories and the legacy she has left behind.
