“ Miles,
I was your “Neicee” for 7 years! We had a special bond that everyone saw. You would even tell me. But I know after Tony’s passing it was so hard on you. I would have never thought our last time together was a month ago when I moved. The plans to see each other again in Vegas etc. I am heartbroken and really miss you and our talks! You had a way of making me laugh and we always fun together. Thank you for your generosity and the memories. I will always have a special place in my heart for you. Rest In Peace with Tony ❤️

“ Miles (Mouse) I'm really going to miss you. :(Thank you for all the fun times on the road discovering different cities. And the great talks and workouts at the gym we had. You taught me a lot and I am forever grateful. We had some good times. :) I will always cherish those many memories. You were so brave these past 5 years dealing with the loss of your twin Tony (Cat), I know you are reunited now. May you rest in peace and may your family find comfort knowing how TRULY loved you really were. God be with you and continue to bless and care for your family.
Love always, Shar
