“ *I was a great friend from buffalo ny. we used to date in 2013 when he lived in buffalo, he used to come and visit me I still have some of his blanket he left with me the one time he stood and from there he left to Florida never came back. I miss him so much till this day no one has ever told me what happened or why no explanation we kept in touch over the years. Just wish there was something I could of done. Now you resting in piece.
