“ *Dad,
I miss you terribly already! I miss our daily/ weekly chats on my way home from work. No more, " what's the big story?" You are now "the big story". Your unmatched humor and unsolicited advise (unfiltered) but done in love with great expectations. After all, we are "Walkers". I love you and miss you so much! Sleep well...*

“ Heaven has retrieved another General! A great man of God! An irreplaceable father and friend to me! King Daddy! A powerful personality; Truly unforgettable. A man who taught us bravery, responsibility and not to be afraid to take risks. Dad, You fought a good fight and stayed the course. Godspeed My Pappy- I will miss you ever so much ☐💔💔💔

Dad,
Oh how I miss you terribly! No more calls on my way home from work. No more will I hear you call "Sy Walker" or hear you ask " what's the big story". As you answer my calls. I replay our last conversation over and over in my head. How you struggled to get the last words out to me but couldn't. I find solace knowing I was able to tell you how much I love you and I would be ok. I knew this moment would come. I just wasn't prepared for it. I live you tremendously. Sleep in sweet rest, until...
