“ *Uncle Victor was a most outstanding, principled and evercool gentleman who loved the Lord,his family and his work. He was a faithful witness throughout his life and as a result,he was a wonderful role model for many of us as we grew up.*

The friendship that Uncle Victor and Aunt Marjorie shared with my Mom and Dad was extra special and today, I thank God that Daddy Harry and Uncle Victor have reunited in glory and they now bask with their Lord and Saviour whom they loved and served so well all these years.

My family and I stand with you all today and pray for God's perfect peace and comfort to surround you at this difficult time. It will be hard I know, but may you be able to smile above the tears and rejoice above the pain one day soon, knowing full well that Uncle Victor is safe in the arms of Jesus and is happy and at peace in God's glorious beyond.

Much love,prayers and friendship today and always,

Karen Armstrong.

“ As a neighbour in Jamaica, Victor was the perfect gentleman, very funny. His loving wife Marjorie was always by his side. Marjorie I know you and your children and family will miss him tremendously. We did not meet regularly of late, but when you came to "America" I was happy that we were once more neighbours. God will give you the strength to bear his loss, but our loss is God's gain, another beautiful flower in the garden of Heaven. May his soul rest in eternal peace. Sincerely Carol Botek

As a child growing up I came to know Uncle Victor on the many occasions we had family dinner. He was always so warm and caring and always showed an interest in how my brother and I were doing in school. I always admired his humble spirit.. I will miss him. R. I.P Uncle Victor. Tenesha Myles

As I reflect on the life of Victor Kerr, I remember him as the true Jamaican patriot. I remember him for his kindness, peaceful nature, soft heartedness, decency and humility. I enjoyed the rides from the hockey field in that special grey vehicle which often times served as our mode of transport and a welcome rest from those tired legs after a day of hockey as we journeyed from Mona Hockey Field to home. We celebrate not the death of Victor Kerr but his resurrection. We ask God to uphold the family through this loss. VK fought a good fight!!!. Let his unending love for people, his uncommon generosity, his remarkable and unique personality be an example to us all. R.I P Victor.
