“ *To my beautiful, sweet, most caring person my Gigi. She was a firecracker and had a big personality. When she was a little girl she loved poems and she had a divine passion to helping others like her siblings she always had a motherly nurturing spirit. She took care of so many family members and their children and their children's children. There are 3 generations and she got to see me grow up and have children of my own. And for that I'm so thankful God blessed her with 86 wonderful years. She will be missed very much, but I am so glad she is in Heaven looking down on me and my family and I have an Angel watching over me. Until we meet again, I love you Gigi.*
