“ *Dear Vicky,*

Almost one year has passed and I still cannot accept your going away. I wish I was at your side in those difficult days but you chose not to call me or write.

I know your spirit is around looking after your beautiful children, family and friends.

I Love You the song by Abeti that play on the radio show reminds me of you and your beautiful smile. Do not ride any motorcycle in heaven, it s not safe.

LOVE Guyto
