“ *I had the pleasure of meeting uncle Winston over christmas 3 years ago. Although he was tired and quiet he looked at with such warmth and squeezed my hand when he spoke to me. He made me feel like he had known me all my life. God bless him, he is at peace and with the lord now.*

*Winston "Win" was a dear friend for over two decades. He was first a friend of my late husband and he became such a strong support to me over the years. He was was always there when I needed help in his skills. He welcomed me in his home for over 4 months and even when I was leaving the welcome was still there. He said I could have stayed as long as I needed to. He was a true friend and will surely be missed.
