“ I have known Yvonne from childhood, from the same community of Point Hill, Saint Catherine Jamaica. Lost touch for awhile but reunited at the Brasmart in Saw Grass mall where she worked as one of the managers. She was a quiet humble person who was loved by everyone. Yvonne will be greatly missed by all who really new her. My prayers goes out to the family. Gillette Tulloch ((Ned)

“ I have known Yvonne since childhood. We share the same first name. After not seeing her for many years, I walked into a store in Sawgrass Broward County Florida in the early 90s only to hear my name calling out with great excitement as she ran to hugged me with her smile that could light up the world. We talked and reminisced. We shared stories of our children and our siblings. Of course, we exchanged phone numbers and kept in touch, even after I relocated to Atlanta Georgia in 2006. Unfortunately, somewhere along the road of life's journey we stopped communicating. It was very upsetting to received the dreadful news about her passing and immediately I regretted not keeping in touch. Yvonne spirit will live on in our hearts. My prayer is that, she had surrendered her life to the one who is the Resurrection and Life our Lord and Savior Jesus Christ. Please accept our deepest condolences from the Lennon family. See you in the Resurrection Yvonne.

Heard per chance that another St. Jago alumni had passed. I was reminded of the name, & if she was in my year . After forty odd years ; memory fades as we try to match names to faces. I was sent a farely recent picture & bam !! That young girl,with those sparkling eyes & infectious laughter transported memories right back to our carefree youthful days at St Jago. To the family & friends I express my condolences & be of good courage in your time of grief.
